

## **Power Tool Safety**

The Kilauea Field Station Power Tool Safety Manual is incorporated into this Health and Safety Manual by reference. A copy of the full text may be obtained from the Safety Officer.

### **SUMMARY:**

The Power Tool Safety Manual is comprised of 8 sections that cover:

1. General Safety Rules for Bench Top Tools and General Safety Rules for All Power Tools.
2. Ladder Safety
3. Safety Rules for Circular Saws
4. Safety Rules For Miter Saws (Chop Saws)
