

## UHHS SENATE REPORTS

NAME: President Kelson Ho'omano Pakele  
RPT TYPE: Executive Committee Presidential Report  
SENATE MEETING: 09-005  
DAY OF WEEK: Tuesday  
DATE: July 28, 2009

### BOR Delegates & Promotion

- 1) We need to promote the BOR delegate positions
- 2) Currently we have a possible student interested, Jonathan Bauer.
- 3) He has been emailed and invited to our meeting but may not be able to make it until next week.

### Faculty Congress Representatives

- 1) We need someone to find out what's going on with the faculty congress
- 2) Can someone please help by contacting Philip Castile Vice Chancellor of Academic Affairs.

### Executive Senator

- 1) Think about your executive senator appointments
- 2) Among our existing senators an appointment should be made by next meeting so we can have yet another executive member to take on these open available duties

### Open Senator Seats

- 1) We have open seats that will need to be filled
- 2) The executive board will work on the applications and the interview scheduling, but can fellow senators help out with promoting the open positions once the semester starts?
- 3) The entire senate will compose possibly a second interview, after an initial interview with just exec, and of course only after they pass the application stage.

### Committee Recruitment

- 1) By next meeting the committee recruitment strategies (what is your committee's strategy for recruiting students?) must be drafted and completed very soon after.
- 2) These recruitment plans need to be ready by the time of week of welcome and NSO.

- 3) I would like plans of each committee chair to figure out how many non-senate members are necessary to be functioning at comfortable capacity and efficiency.
- 4) How often will committees meet, and what are the goals of the committee?  
(List at least 3 – 5 main goals of the committee)
- 5) Make sure committee meets regularly because bi-weekly or weekly committee reports will be mandatory at senate meetings.
