

## **UHHSA SENATE REPORTS**

NAME: President Kelson Ho'omano Pakele  
RPT TYPE: Executive Committee Presidential Report  
SENATE MEETING: 09-012  
DAY OF WEEK: Friday  
DATE: September 18, 2009

### Update on Data Director Constitutional Requirement

- 1) I've contacted Dr Luoluo Hong the Vice Chancellor of Student Affairs regarding us putting a hold on our constitution in order to suspend the requirement of executive members needing a year of CSO executive board experience.
- 2) She said she has not problem with this type of suspension for a given period of time, but she suggested that we add an amendment to the constitution to allow for this type of suspension in the future. Because there is nothing like this in the constitution, there may be a complaint posed to UHHSA as to how we can suspend something in the constitution without any precedence.
- 3) Should we maybe add this policy to our by-laws instead of having to amend the constitution? What does the senate think?
