

Student Association

Aloha

Attached is the UHHSA 2008-2009 Elections Packet. Please read it thoroughly before you begin to complete it.

If you have any questions, please email Elections Committee Chair Georgia Amber Pinsky at pinsky@hawaii.edu

Here is the part about how important involvement is. You know it is, that's why you picked up a copy of this packet. You're right. UHHSA collects \$18 from each full tiem student, totally over \$100,000 in Student Fees. The UHHSA Senate holds the responsibility of spending this money in ways that will benefit our student body.

It's YOUR money – get involved in what can be done with it.

But UHHSA is more than the money. UHHSA is the “face” of the student population to the administrators, and the surrounding community of Hilo, Hawaii Island, and the State of Hawaii as a whole.

Thank you for you interest in participating in the UH Hilo Student Government.
